

ABOUT CONFERENCE

ICABB promotes and encourages dialogues on scientific ideas and research. Annually numerous participants from all over the world present their research across a wide array of topics. The theme of the current edition of ICABB 2024 is "Food & Microbial Biotechnology: Insights and Innovations".

The food and beverage market is expected to grow to more than \$10000 billion by 2027 at a CAGR of 6.3%. The outbreak of COVID-19 has focused renewed attention on the functional food and nutraceutical sector. Supply chain disruptions due to the Russian Ukraine war have forced global attention on the important food sector. Fermented food products those with better shelf-life and frozen food are expected to occupy a significant share in the coming years. Globally, unique microbial communities specific to each geographical location have played a crucial role in producing various fermented foods. Asia-Pacific is the largest region in the food and beverages sector and India will be one of the significant contributors.

Hence, the conference theme has been appropriately selected when India is on the cusp of being a major player in the food and beverages sector.

CHIEF PATRON

Shri Manoj Gaur

PATRONS

Prof. S.C. Saxena

Prof. B.R. Mehta

CONFERENCE CHAIRPERSON

Prof. Pammi Gauba

CONVENERS

Prof. Indira P Sarethy

Dr. Smriti Gaur

ADVISORY BOARD MEMBERS

- Prof. Michael Danquah, University of Tennessee, USA
- Dr. Latha Ganesan, The Ohio State University, USA
- Dr. Murugesan Rajaram, Microbial Infection and Immunity, USA
- Dr. Arockiasamy Arulandu, ICGEB, New Delhi
- Prof. R.P. Singh, IIT Roorkee
- Prof. Daman Saluja, Dr B R Ambedkar Center for Biomedical Research, New Delhi
- Dr Narendra Kumar, Institute of Advanced Research, Gandhi Nagar, Gujrat
- Dr. Manoj Kumar, Ministry of Health and Family Welfare, Govt. of India
- Dr Vijai Kumar Gupta, Biorefining and Advanced Materials Research Center SRUC, Scotland, UK
- Dr. Neerja Hajela, Head of Science and Regulatory Affairs, Yakult Danone India Pvt Ltd

Jaypee Institute of
Information Technology

Department of
Biotechnology

organizes

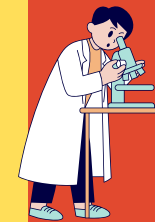

7th International
Conference on
Advances in
Biosciences and
Biotechnology

(ICABB – 2024)

Theme

“Food & Microbial
Biotechnology: Insights
and Innovations”

ABOUT JIIT

Jaypee Institute of Information Technology, Noida was established in the year 2001 and has been declared as a "Deemed to be University" under Section 3 of UGC Act 1956 in the year 2004. JIIT is a NAAC accredited, AICTE approved and NIRF ranked Institute and has continued to become a centre of excellence in emerging areas of science and technology.

ABOUT THE DEPARTMENT

The Department of Biotechnology at JIIT, NOIDA, established in 2002, is committed to provide innovative teaching, learning, and a vibrant research environment. Faculty members with rich research exposure in academia and industry from national & international organizations, contribute to the departmental academic core.

Conference Sessions

31.01.2024: SESSION I

Food & Agri-Biotechnology

31.01.2024: SESSION II

Medical Biotechnology

01.02.2024: SESSION III

Environmental & Microbial Biotechnology

01.02.2024: SESSION IV

Omics-based Technologies

02.02.2024: SESSION V

Innovations, Entrepreneurship & Start-ups: Panel Discussion
